BOSTON, MA, September 24, 2014 /24-7PressRelease/ – AMD Technical Resources announced today that the company has opened an office in San Francisco, CA. The move is consistent with the company's commitment to increase its national footprint and focus on growing its presence on the west coast.

San Francisco is the third location in California that the growing IT recruiting firm has opened in the past two years. AVID opened offices in both Los Angeles and San Diego in September 2012.

The company continues to follow their aggressive multi-office, multi-state expansion plan. Future additional office locations are said to include New York City, NY; Philadelphia, PA; Washington DC; Raleigh, NC; Dallas, TX; and Chicago, IL.

"We have an aggressive, yet very calculated national expansion plan in place and we're simply executing it," said principal owner Brian Tomasello. "Ultimately our goal is to double the amount of current office locations by the close of 2015. I have no doubt we'll succeed in doing so."

AMD Technical Resources (www.avidtr.com) is a leading contract and permanent IT recruiting company. Headquartered in Boston, Massachusetts, AVID specializes in placing contractors with an applications development or infrastructure support background.

AMD has become one of the leading IT recruiting firms in the country. The company has posted year over year growth since their inception in 2003 and is currently trending to increase sales by 25% in 2014. The continued growth has triggered numerous awards and national recognition. Inc. Magazine has listed AVID on their exclusive 500/5000 list of Fastest Growing Private Companies in the US for three out of the past four years. Staffing Industry Analysts ranked AMD one of the Fastest Growing staffing firms in the nation and Forbes Magazine named AMD one of the leading staffing agencies in the Northeast.
